### About SPEECH PATHways

SPEECH PATHways is the only comprehensive pediatric speech-language pathology clinic in Carroll County, Maryland, offering services since 1999. Owner Kimberly A. Bell, M.S., CCC-SLP, has been a speech and language pathologist for over ten years. She and her associates offer a wide variety of specialized pediatric programs in addition to traditional speech and language services. Each SPEECH PATHways therapist holds a master's degree and a Certificate of Clinical Competence from the American Speech-Language-Hearing Association; each is also trained or certified in various specialty treatments and techniques. SPEECH PATHways strives to be on the cutting edge of pediatric intervention. Because of the specialty services offered, clients travel from Pennsylvania, Virginia, West Virginia and the Washington, DC, area to the SPEECH PATHways clinic.
