SPEECH PATHways & Studio on the Hill

Consent for ART SPEAKS Participation

I understand that I am giving permission for my child, _____, to participate in the ART SPEAKS Program. I understand that my child will be participating in social-language activities in conjunction with art lessons/activities; however, my child is not receiving individual and/or group speech-language “treatment.” The art activities may include, but are not limited to: paint, markers, glue, clay, etc. All products used in the ART SPEAKS program will be non-toxic. Your child should come to the program dressed appropriately to participate in art activities (which at times can be messy). I understand that ART SPEAKS is not responsible for stained or soiled clothing. In addition, I understand that because my child is participating in a group activity there is the potential for social conflicts between children to arise. Every effort will be made to use these conflicts as a positive learning opportunity within the group. If your child has a history of negative behaviors which could potentially harm the instructors, other children and/or property, it is your responsibility to inform ART SPEAKS at this time.
