

READING & WRITING (RAW) FUNDAMENTALS

A KIDZ PATHways Special Program

What are RAW FUNDAMENTALS Groups?

RAW FUNDAMENTALS Groups meet twice weekly during the summer session to target reading and handwriting skills using Phono-Graphix® and Handwriting Without Tears® programs. This session is geared for children in kindergarten through second grade who have difficulty mastering these skills. Sessions address fine motor and sensory regulation development, as well, in a small group setting led by an occupational therapist.

- Westminster (Carroll County), Maryland, location
- Groups meet twice a week for 6 weeks (12 sessions!)
- Low adult/child ratios – 1 staff per every 2-3 kids
- Individual treatment plan for each child
- Excellent for children who need a boost with reading, writing, and fine motor development
- Groups are guided by a licensed occupational therapist who is Sensory Integration and Phono-Graphix® certified!

RAW FUNDAMENTALS Goals

A knowledgeable licensed therapist will work with children on the following skills:

- Letter identification/recognition
- Sound-letter correspondence
- Reading skills utilizing Phono-Graphix®
- Writing letters using Handwriting Without Tears®
- Development of fine motor skills for grasp support
- Sensory regulation to attend to activities
- Following directions

Location

Groups meet at KIDZ PATHways, Suite 306 of the SPEECH PATHways Clinic in the Westminster Professional Center, 532 Baltimore Blvd., Westminster, Maryland.

Registration

Groups are forming now for the June 28 – August 5th Summer Session! There are two sessions per week, for a total of 12 sessions over 6 weeks. The cost is \$150 per week; payments may be made in weekly installments of \$150. For more information or to register, contact OT Kidz 301.325.1055 or SPEECH PATHways at 410.374.0555 or visit www.speechpathways.net.
