March 1, 2014

Dear Clients,

Effective March 1, 2014 SPEECH PATHways will now be billing credit cards on a weekly basis for services rendered rather than waiting until the end of the month and billing “remotely”. We now have the ability to “swipe” your card in the office. Your therapist will “swipe” your card for your visit after each session. We now accept all major credit cards (Visa, Mastercard, Discover, Diners Club, JCB and American Express).

If, however, someone else will be bringing your child to therapy, you still have the option to leave a card on file and we will punch it in weekly.

Thank you,

Kim

Kimberly A Bell, M.S., CCC-SLP
