

For Less Than \$1,000 Per Month...

... Add coverage to your health insurance plan that will:

Help your child or grandchild:

- Speak or hear better
- Enjoy reading
- Succeed socially

Help you at work:

- Communicate better with co-workers
- Reduce stress and anxiety
- Be more confident

While growing older:

- Stay independent
- Remain socially active
- Hear your grandchildren's first words
- Improve speaking, listening, and reading after a stroke

Make sure your health plan covers audiology and speech-language pathology services.

Don't let your health plan let you down!
